

LEAPMOTOR 024_25 Leapmotor UK T03 Flash News – WE WON AN AWARD!

Dear Colleagues,

We are delighted to announce that the T03 has officially been named the “Best Value Car” in the 2026 Parkers New Car Awards.

This latest honour for the brand follows the success of the C10 SUV in last month’s Leasing.com Awards.

Organised by Parkers.co.uk, one the UK’s biggest and most respected car reviews outlets, the awards were judged by the title’s expert editorial review team. In recognising the T03’s achievement, the Parker’s panel of judges praised the T03’s incredible value for money, high levels of standard equipment and family-friendly practicality.

Keith Adams, Parkers’ editor, commented: “The Leapmotor T03 has completely reshaped what we expect from an affordable car. It’s electric, fully equipped and astonishingly well priced – proof that value and innovation can go hand in hand. By crashing through the £15,000 barrier without cutting corners, Leapmotor has opened the door to electric motoring for a whole new audience.”

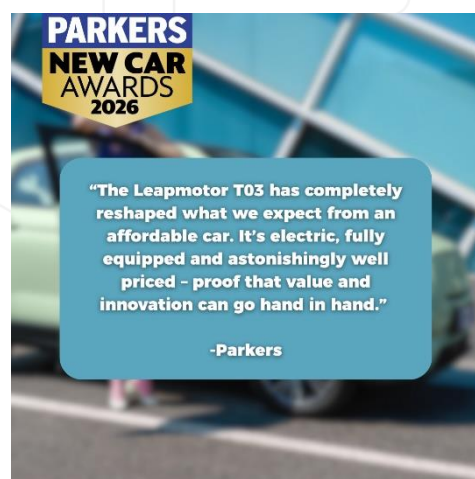

We hope that this win, combined with the T03 TV AD and Radio Campaign, live since the 22nd of October, will make a significant contribution to your activities in Q4 25.

HOW TO PROMOTE?

We have made it easy and simple, following the Leapmotor style. You can share the post that we created for you – see below.

You can download it from the local portal, here: *T03 assets and then Social award assets* or simply re-share the attachment to this circular.

And last but not least... celebrating in style is part of our DNA. So, stay tuned - another exciting surprise is just around the corner!

Many thanks,
Damien Dally and the Leapmotor Team
